Sharon the conference code you gave me is incorrect. Can you resend? Thanks. M

Subject: Tomorrow's meeting

Hi Sharon. I am going to have to call into the meeting tomorrow. I am stuck in Austin, Texas for another day due to multiple weather-related flight delays and now a cancellation. It's very annoying. If all goes smoothly tomorrow (I have no faith it will at this point) I will land at JFK at 12:45.

I will do my best to call in on time and keep my phone on mute so as not to disturb the call with airport noise. Start without me, of course, if I haven't called in by the time you are ready.

It would be helpful -and appreciated - if you could send me the call-in info again so I have it handy.

Thanks, Sharon.

Regards, M
